

**Grade 2 Summer Reading List**  
**Sayreville Public Schools**  
**Revised - 4/09**

Dear Parents:

It is important to continue to read with your children during the summer because summer reading reinforces the skills that they learn in the classroom all year. Help your child this summer by encouraging recreational reading. The Sayreville Public Library offers a free, summer reading program that entices children to read for pleasure and enables them to retain their reading skills.
