

HELP US WIN \$50,000 FOR A NEW PLAYGROUND

Dear Parents,

Eisenhower Elementary School had been nominated in the 2011 Power a Bright Future Grant Contest from the Clorox Company. Our school has the chance to receive a \$50,000 grand-prize grant or one of four \$25,000 grants!

Hundreds of schools have entered and now the final decision is up to us. Starting October 24 through December 9, 2011, the public will have the opportunity to vote for the program they believe will make the biggest difference at a school. The program that receives the highest number of votes will be awarded the \$50,000 grand-prize grant.

There are three easy ways to vote: through the website, from your smartphone or through text messaging. You can only vote once a day online and via text. You must be 13 years or older and be a U.S. resident. Go to www.powerabrightfuture.com and locate our nomination page. We are in the Play category under Dwight D. Eisenhower Elementary School in Parlin. Follow the directions to cast your vote through the website, use the QR code to bookmark the page using your smartphone, or find our keyword in our listing and text that to 44144 (rates may apply).

This can be an easy win for us if everyone participates and votes once a day every day during the entire voting phase. Encourage all friends, family, and coworkers to vote for us. The winner is selected solely on the number of votes they receive. It is easy to ask people to help. They don't have to buy anything; just go online or send a text to vote once a day. Tell everyone you know, send out emails and put it on your Facebook and other social media pages to vote for Dwight D. Eisenhower School's new playground.

If you have any questions, please contact the EisenhowerPTO@yahoo.com

Thank you for your support! Go Eisenhower!!
